Attached is the only copy I can presently send you of the IG's report on CIA training. Included also is a thermofax copy of the IG's covering memo for your information and guidance.

We have set 21 October as the deadline for receipt in this office of all comments from DDS Office Heads, and we have promised direction within a week about the desired format for those replies. It is possible that after Colonel White has completed his reading of the report, he will wish to talk to you about the form of your response and will probably want to discuss several of the recommendations with you.
